

The Corporate Environmental Policy

Effective Date: [01-01-2021]

At Baba Group of Company, we recognize the importance of environmental stewardship and the role businesses play in creating a sustainable future. We are committed to minimizing our environmental impact and continually improving our environmental performance. This commitment extends across all our business operations and activities.

1. Compliance and Legal Requirements:

- We will comply with all applicable environmental laws, regulations, and other requirements relevant to our business operations.

2. Pollution Prevention:

- We will strive to prevent pollution by implementing practices that reduce the generation of waste, emissions, and other pollutants.

3. Resource Conservation:

- We will efficiently use energy, water, and other natural resources in our operations. We will explore and invest in technologies that promote resource conservation.

4. Waste Management:

- We will minimize waste generation and promote recycling and reuse. Proper disposal methods will be adopted for any waste that cannot be eliminated.

5. Sustainable Procurement:

- We will source products and materials that have minimal environmental impact, considering factors such as resource use, production processes, and end-of-life disposal.

6. Environmental Education and Training:

- We will provide education and training programs to our employees to raise awareness about environmental issues and promote responsible practices.

7. Continuous Improvement:

- We will regularly assess our environmental performance and set objectives and targets for improvement. We will work towards adopting best practices and technologies that reduce our ecological footprint.

8. Stakeholder Engagement:

- We will engage with our stakeholders, including customers, suppliers, and the communities in which we operate, to understand their concerns and expectations regarding environmental performance.

9. Reporting and Transparency:

- We will communicate our environmental performance, initiatives, and achievements transparently to our stakeholders through regular reporting.

10. Emergency Preparedness and Response:

- We will establish and maintain procedures for responding to environmental emergencies and incidents, minimizing potential adverse impacts.

By adhering to this environmental policy, Baba Group of Company is committed to playing a key role in preserving the environment for current and future generations. This policy will be communicated to all employees and stakeholders, and its effectiveness will be periodically reviewed and updated.
